

The National Sea Grant Law Center

<https://nsglc.olemiss.edu/covid19/index.html>

The National Sea Grant Law Center (NSGLC) provides up-to-date information on federal assistance programs for fishing-related industries. These include programs through the CARES Act, such as Pandemic Unemployment, Tax Credits, Paycheck Protection Program (PPP), Economic Injury Disaster Loans (EIDL), and Assistance to Fishery Participants.

NSGLC Tip Sheet for CARES Act Assistance

<https://nsglc.olemiss.edu/covid19/files/caresact-tipsheet-selfemployed.pdf>

The NSGLC has prepared a CARES Act tip sheet for self-employed individuals. The tip sheet was prepared on April 23, 2020, so some information may have changed. For example, some of these programs have closed based on available appropriations. Further, each individual situation is different and not everyone is eligible for all assistance programs. For example, assistance to fishery participants is only currently available for marine fisheries.

U.S. Centers for Disease Control and Prevention

<https://www.cdc.gov/coronavirus/2019-nCoV/index.html>

The Centers for Disease Control and Prevention (CDC) provide human health information for protecting against, and reporting of, COVID-19 transmission. There is also information on best practices for cleaning, disinfecting and face masks, as well as data on testing and cases. The CDC website provides specific information for small businesses.

U.S. Department of Health and Human Services

<https://www.hhs.gov/coronavirus/index.html>

The Department of Health and Human Services (HHS) has information on COVID-19 news, Telehealth, mental health and coping, and strategies to help keep you and your community safe.

U.S. Maritime Administration

<https://maritime.dot.gov/coronavirus>

The Maritime Administration (MARAD) and CDC Maritime Recommendations page has COVID-19 information and best practices specifically for shipping and boating.

CDC Maritime Resources

<https://www.cdc.gov/quarantine/maritime/index.html>

Illinois Department of Natural Resources

<https://www2.illinois.gov/dnr/closures/Pages/ParksOpenDuringCoVID19.aspx>

The Illinois and Indiana Department of Natural Resources (DNR) have information on restrictions to outdoor activities and status of state-managed properties, including park and harbor closures.

Indiana Department of Natural Resources

<https://www.in.gov/dnr/10342.htm>

State of Illinois COVID-19 Response

<https://coronavirus.illinois.gov/s/>

The State of Illinois and Indiana COVID-19 response websites have a number of resources, including best practices for public health, Executive Orders, press releases and news updates, and state-level economic assistance programs.

Indiana State Department of Health
